Main.js 82

Uvod

1. Korišćeni programski jezici

Jezici korišćeni prilikom kreiranja sajta su: **HTML**, **CSS**, **JavaScript**, **jQuery**, **XML**.
Korišćeni plugin je: **jQuery Pagination Plugin** (index.html)
Nije korišćen template.

2. Funkcionalnosti

Zajedničke funkcionalnosti za sve stranice:

1. Loading screen
2. Ispis elemenata header i footer taga
3. Dinamičko određivanje trenutno aktivnog linka
4. Dinamičko dodeljivanje klasa prilikom događaja *mouseover* i *mouseout* za svrhu animacije prilikom prelaska mišem preko linka u header tagu
5. Navigacioni meni za mobilne uređaje

Funkcionalnosti na index.html:

1. Interaktivni “podmeni” koji za cilj ima da prilikom skrolovanja kroz stranicu, korisniku označi trenutnu sekciju na kojoj se nalazi

2. Dinamički ispisan slajder koji se menja prilikom isteka vremena ili korisničkom interakcijom sa strelicama za prethodni i sledeći slajd
3. Dinamički ispisana tabela i njen sadržaj. Nad tabelom je primenjen **jQuery pagination plugin**
4. Dugme ‘Show More’ za prikaz svih događaja iz iste grupe aktivnosti
5. Dinamičko ispisivanje linkova socijalnih mreža
6. **Obrada forme**
7. U polja ‘telefon’, ‘događaj’ i ‘oprema’ se dinamički upisuju vrednosti nakon što korisnik izabere državu i tip aktivnosti.
8. Nakon izlaska iz svakog polja poziva se funkcija (relevantna za to polje) koja proverava da li je korisnik uneo podatke u odgovarajućem formatu i ukoliko nije, dianmički mu ispisuje grešku
9. Ukoliko je forma ‘submitovana’, pre slanja se proverava validnost vrednosti svih polja forme
10. Ukoliko su svi podaci validni, forma će izbrisati svoj sadržaj i korisniku ispisati poruku da su isti poslati

Funkcionalnosti na about.html:

1. Dinamičko ispisivanje lokacija

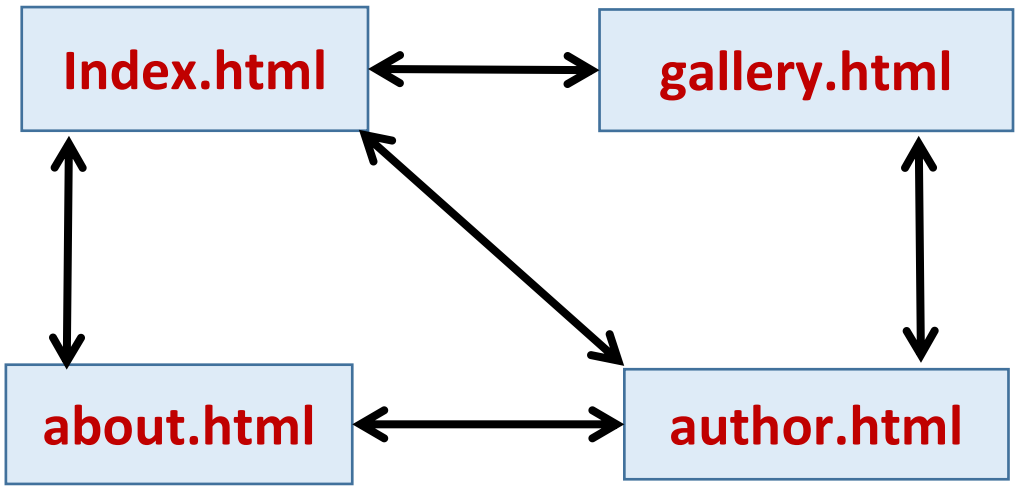
Funkcionalnosti na gallery.html:

1. Dinamičko ispisivanje galerije
2. Prikaz selektovane slike

Organizacija

1. Organizaciona šema

Stranice **index.html**, **about.html**, **gallery.html i author.html** su međusobno povezane.



2. Mapa sajta

```
<?xml version="1.0" encoding="UTF-8"?>
<urlset
          xmlns="http://www.sitemaps.org/schemas/sitemap/0.9"
         xmlns:xsi="http://www.w3.org/2001/XMLSchema-instance"
```

```
          xsi:schemaLocation="http://www.sitemaps.org/schemas/sitemap/0.
9
            http://www.sitemaps.org/schemas/sitemap/0.9/sitemap.xsd">

    <url>

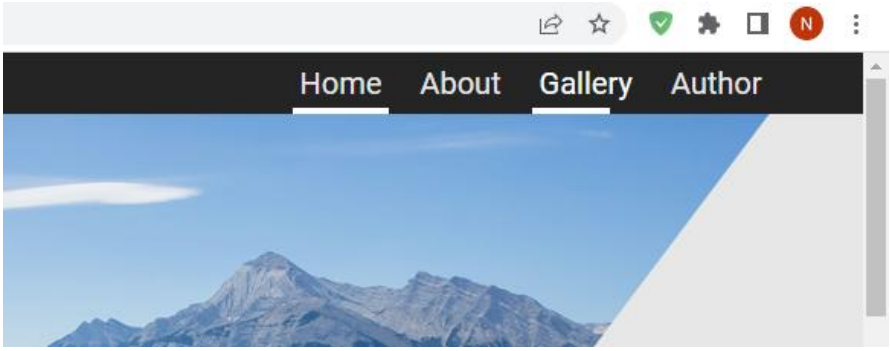
html</loc>
        <lastmod>2022-1-25</lastmod>
        <changefreq>daily</changefreq>
        <priority>0.92</priority>
    </url>
```

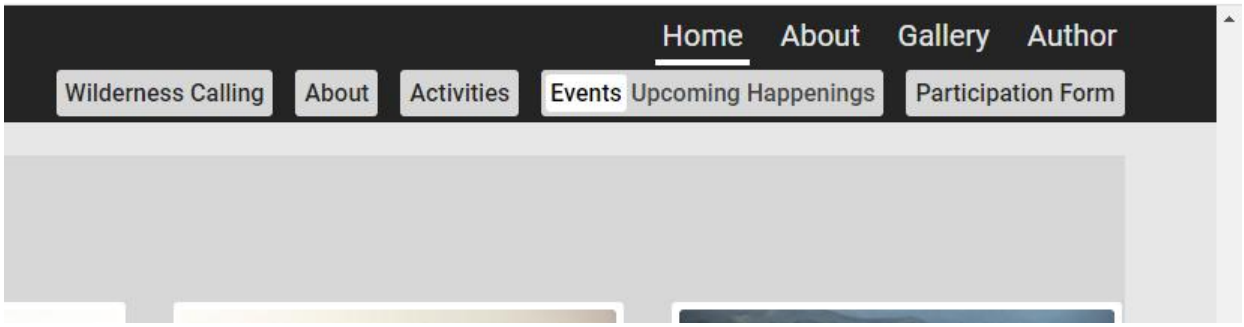
```
</urlset>
```

3. Opis funkcionalnosti

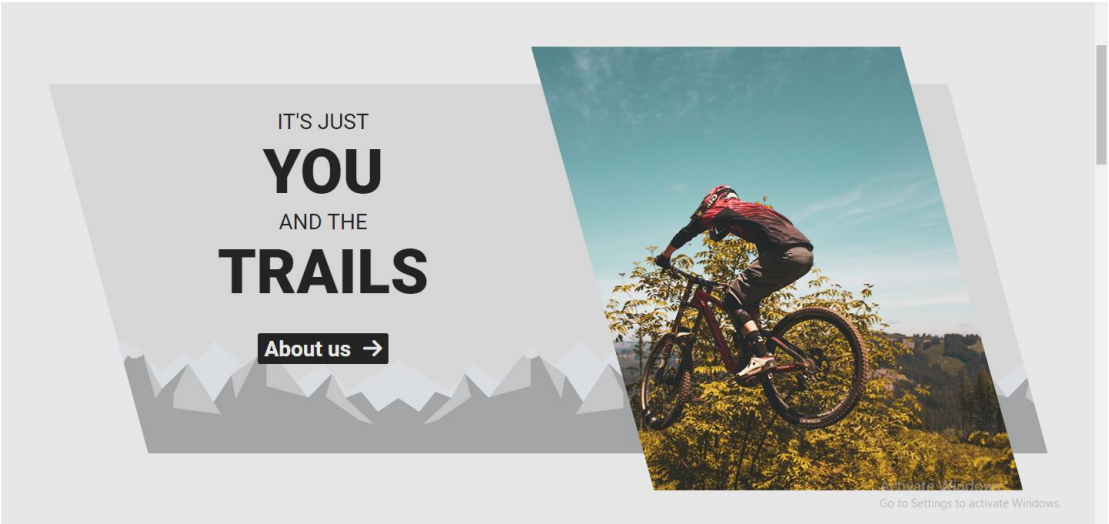
Loading Screen

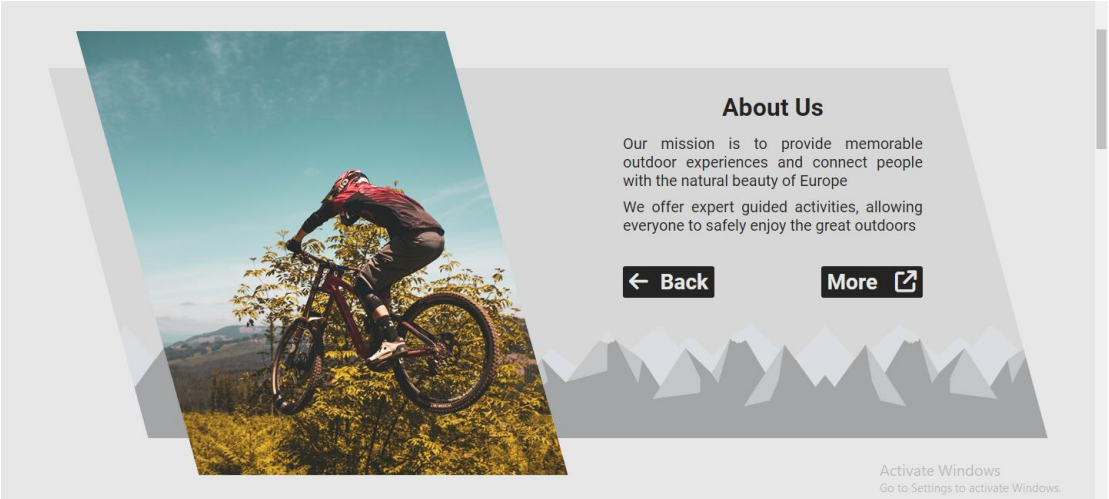


Navigacioni meni. Aktivan Home link označava da se trenutno nalazimo na index.html stranici. Prelaskom preko linka Gallery event u JavaScriptu dodeljuje jednu klasu a prilikom izlaska iz polja dodeljuje drugu klasu

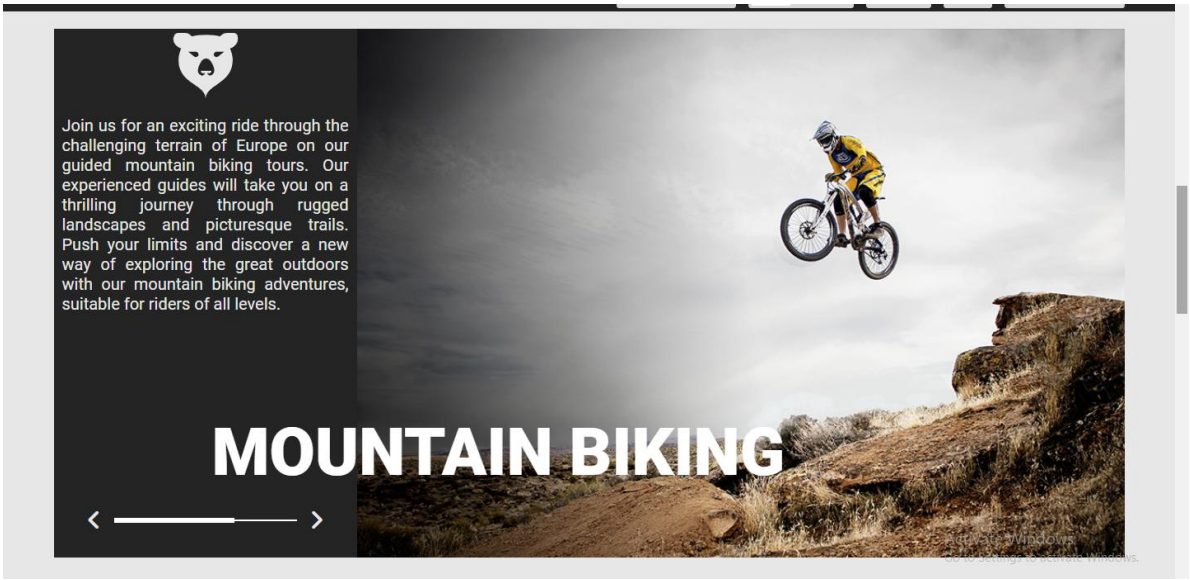


Podmeni ima ulogu da korisniku označi trenutnu sekciju stranice na kojoj se nalazi.





Pritiskom nataster **About us** i **Back** elementima se dodeljuju različite klase zajedno sa metodom .animate().



Slajder koji sadržaj smenjuje nakon određenog vremenskog intervala ili klikom na strelice

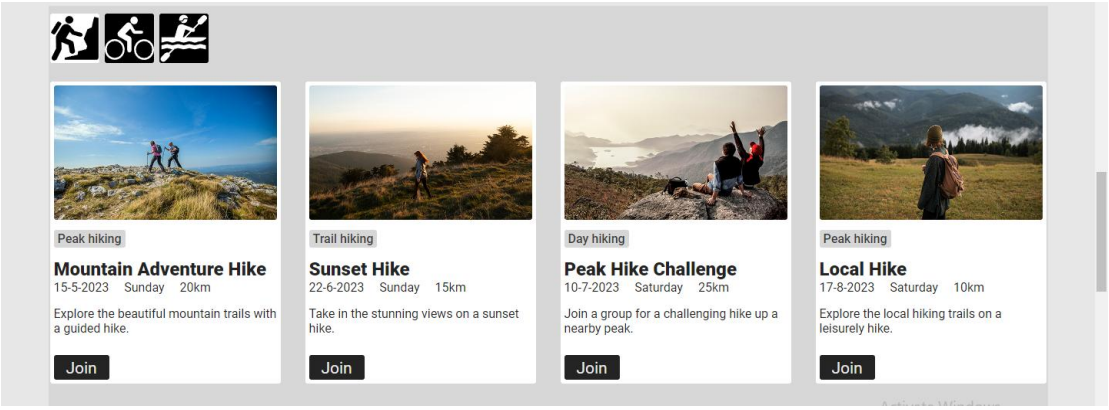


Tabela nad kojom je primenjen **jQuery Pagination Plugin**

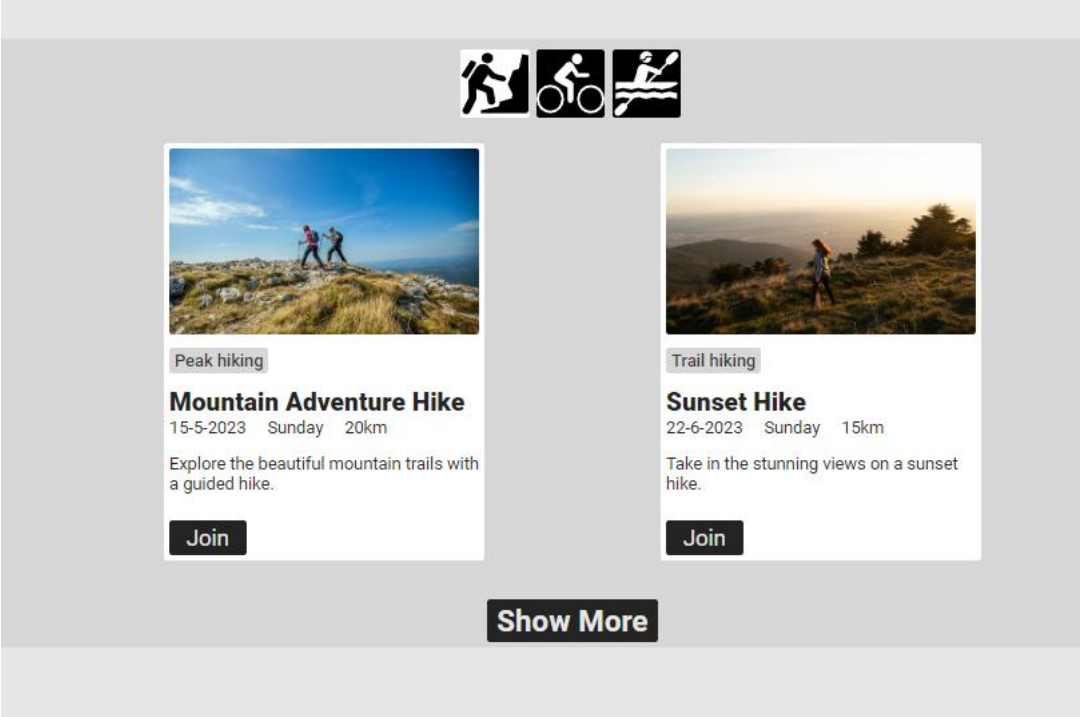
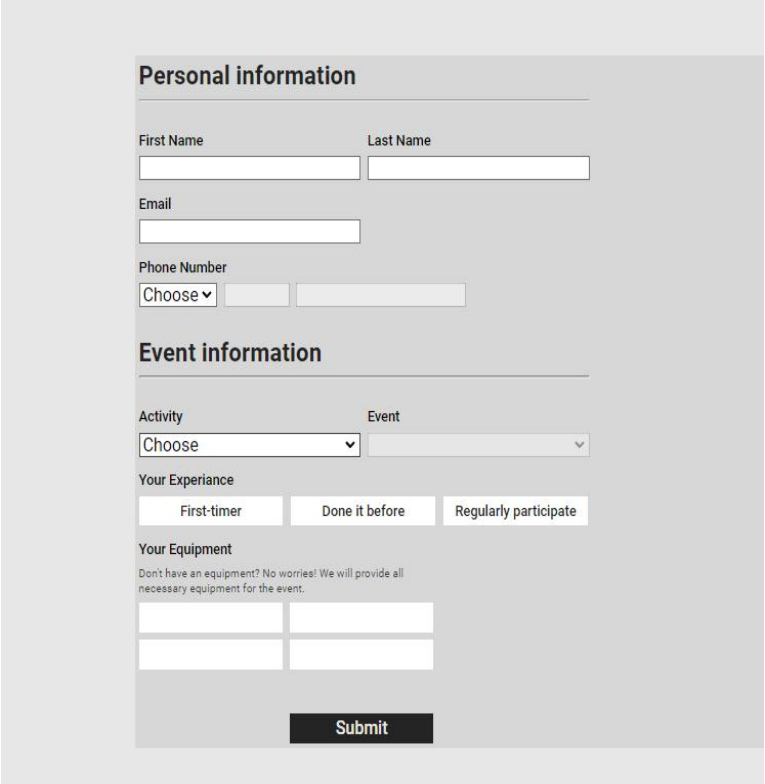
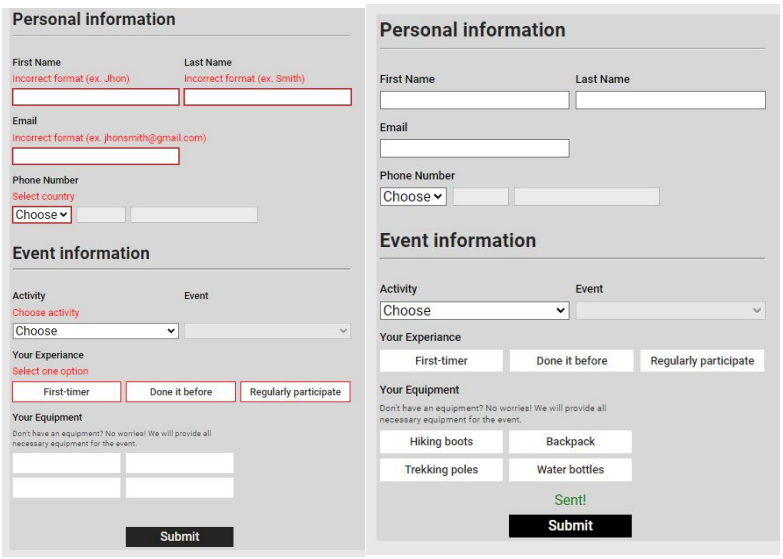


Dugme **Show More** koje kada se klikne poziva .toggle() metod i time prikaže ostatak sadržaja

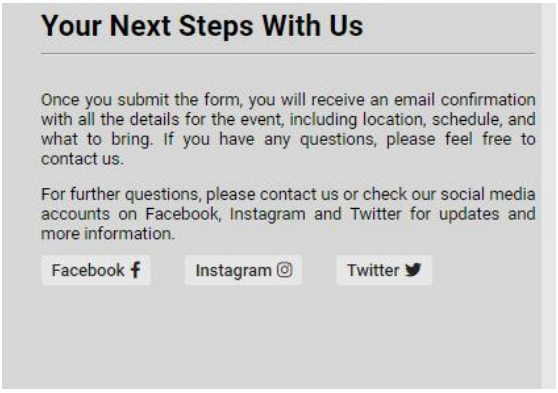


Izgled forme. Sva polja su obavezna osim checkbox-ova za opremu. Polja za unos broja i događaja zahtevaju da se prethodno izabere država i tip aktivnosti. Nakon što korisnik selektuje izabranu aktivnost, odgovarajuća oprema se upisuje u checkbox-ove.

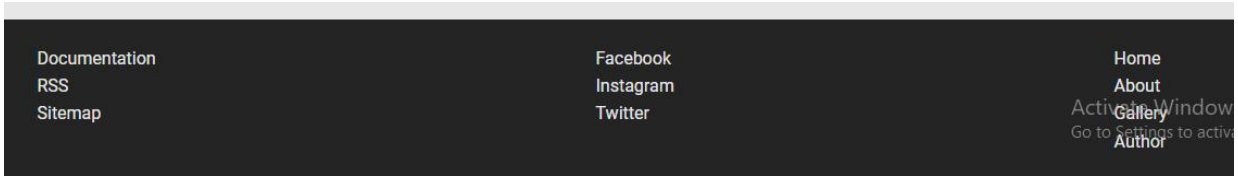
Ukoliko je korisnik izašao iz polja a nije zadovoljio uslov, dinamički će mu se ispisati greška i odgovarajući primer dozvoljenog formata



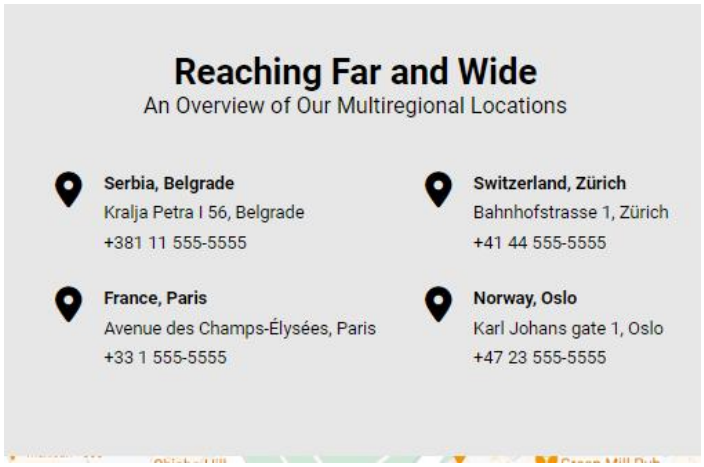
Primer forme nakon što se klikne taster Submit bez prethodno popunjene forme i primer ispravno popunjene forme kojoj su svi podaci izbrisani a poruka označila da su podaci poslati.



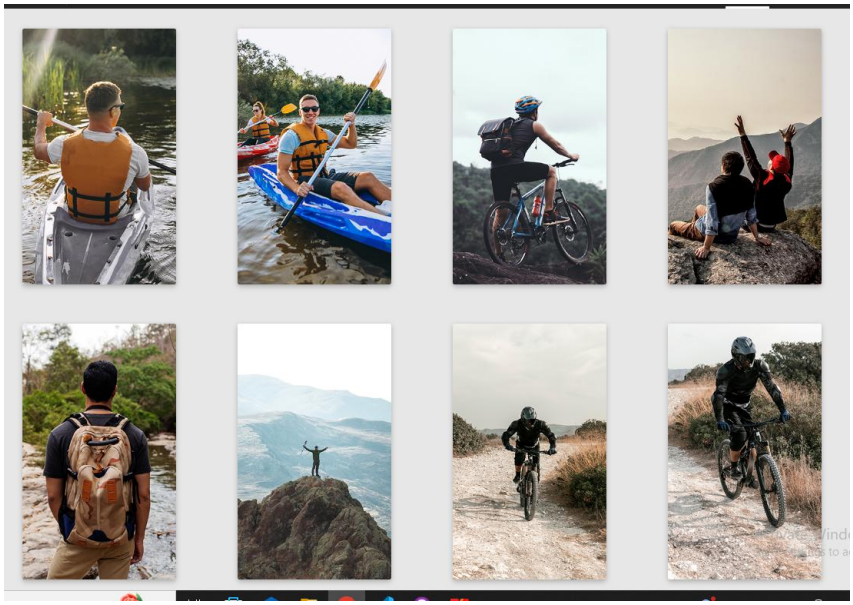
Dinamički isps linkova socijalnih mreža



Dinamički ispisan footer



Dinamički ispisane lokacije



Dinamički ispisan sadržaj galerije. Svakoj slici je dodeljen click event kojim se kasnije poziva funkcija za prikaz iste slike većih dimenzija.

            <h1>About Us</h1>
            <p>Wild Trails is an organization that specializes in
connecting people with the natural beauty of Europe. Whether you're an
experienced hiker, kayaker, or mountain biker, or just looking to try
something new, we have a trip or event that's perfect for you. Our
experienced guides will take you on a journey through some of the most
breathtaking landscapes in Europe, and help you discover the beauty and
wonder of the natural world.</p>
```

```
            <p>At Wild Trails, we believe that outdoor activities are
the perfect way to connect with nature and experience the beauty of
Europe. Whether you're a seasoned outdoor enthusiast or a first-time
adventurer, we have something for everyone. We offer a wide range of
guided hiking, kayaking, and mountain biking trips and events, each
tailored to suit different skill levels and interests.</p>
